

清ら KIYORA

The Spirit of Kiyora (清ら)

Where the ancient art of Japanese healing meets modern luxury.

Our Philosophy

The Harmony of Old & New "Founded on the principle of 'Sei' (Balance), Kiyora Spa strives to offer more than just a massage; we offer a return to self. Just as Sundari blends tradition with modernity, we synthesize time-honored Japanese techniques like Shiatsu pressure points and Takumi stretching with the refined comfort of a world-class luxury sanctuary.

We believe that true relaxation comes from the alignment of 'Ki' (Life Energy). Every ritual, from our synchronized couple massages to our silent oil-free therapies, is designed to unblock this energy, ensuring you leave not just rested, but deeply restored."

The Sanctuary

A Retreat for the Senses "Stepping into Kiyora is stepping out of Ahmedabad and into a realm of stillness. Our space is designed around the concept of 'Kanso' (Simplicity). We have merged sleek, modern

minimalism with natural elements warm timber, soft washi-paper lighting, and organic stone textures to create an ambience that quiets the mind the moment you arrive.

Unlike the bustling city outside, our private suites are acoustic sanctuaries. Whether you are indulging in a **Private Jacuzzi Soak** or a silent meditation, the design of our spa serves a single purpose: to protect your peace."

Our Ingredients

Purity in Every Touch "We strictly adhere to the philosophy of 'Midori' (Nature). We believe that what goes on your skin should be as pure as nature intended.

- **Custom Blends:** We do not use generic lotions. Our warm herbal oils are curated to soothe specific muscle groups, mirroring the 'Onsen' (Hot Spring) experience.
- **Organic Origins:** Our body polishes use premium natural ingredients inspired by the **Sakura** (Cherry Blossom) for hydration and **Green Tea** extracts for detoxification.
- **Freshness:** Just as a chef respects their ingredients, our therapists respect the oils and scrubs, preparing them fresh to ensure their healing properties are at their peak."

The 'Takumi' Standard

The Art of Skilled Touch "In Japanese culture, 'Takumi' refers to an artisan who has mastered their craft. At Kiyora, our therapists are not just staff; they are practitioners of Takumi.

With a quality of service designed to rival five-star international hotels, we pride ourselves on intuitive care. We do not believe in 'standard' treatments. Whether you need the deep pressure of our **Muscle Recovery**

Massage or the gentle flow of our Swedish Ritual, every stroke is adjusted to your body's unique language."
